

Key Family Details	
Optical System:	Glare reducing delta diffuser
Mounting Type:	Exposed T-Bar Recessed
Finish Options:	Standard white
System Warranty:	5 years
CCT:	4000K
CRI (Ra):	90+
R9:	70+
COI Compliant:	Yes (COI<=1.5)

Maximum Candela = 496cd/klm
 Located At Horizontal Angle = 67.5, Vertical Angle = .5

Application

Demanding commercial lighting applications require lighting solutions and luminaires with outstanding performance characteristics. With the conscious decision of light quality and performance in mind Aureled delivers across arrange of applications.

Design

Where too much is just right. Aureled encompasses a range of advanced lens and LED technology together with innovative design features to deliver balanced and harmonious lighting conditions within a space. Aureled is manufactured in Australia to match and exceed world best practice.

Optics:

The advanced glare reducing delta diffuser and combined masking agent eliminates any distracting LED micro points and controls luminance distribution at critical viewing angles. Aureled delivers enhanced glare free lighting solutions.

Controls:

In a carbon constrained world, product control options, operational control, sustainability and optimised material manufacturing techniques are critical considerations in product specification. The extensive features of Aureled meet the highest standards.

Circadian Lighting:

Quality of light is an inherent element of wellness, productivity, vitality, creativity and satisfaction in any workplace. The combined performance characteristics of Aureled ensures the visual environment created will support and enhance the experience for people occupying a space.

Installation:

The shallow profile of Aureled is the perfect solution in ceiling spaces where recess depth is confined.

Notes:

- ORT Enabled
- Surface Mount
- Plaster Recess Kit
- Restraint kit
- Tuneable White
